RESEARCH AND PROFESSIONAL EXPERIENCE

Fall 2021- **Department of Human Centered Design & Engineering, University of Washington**, Seattle, WA
Graduate Research Assistant

Facilitating a Directed Research Group of four students in conducting, transcribing, and analyzing interviews of Wikipedia editors and stakeholders for a study about disinformation and "project capture" risks across Wikipedia language editions.

Qualitatively coding social media data for a project on influence operations targeting U.N. peacekeeping operations.

Contributing to the Center for an Informed Public's rapid-response efforts for the 2022 midterms.

2019–21 **Digital Forensic Research Lab, Atlantic Council**, Washington, D.C.
Associate Editor, 2021
Assistant Editor, 2019-20

Served as a lead researcher on investigations into the spread of viral conspiracy theories and disinformation. Conducted internal and external trainings on open-source investigation, social media data collection, and social network analysis and visualization

2017–19 **Berliner Corcoran & Rowe LLP**, Washington, D.C.
Legal Assistant/Editor

Wrote articles for, edited, and managed the *International Enforcement Law Reporter*, a monthly print and online international law journal. Conducted legal and policy research on the fallout of 2016 Russian election interference, cybersecurity, and data privacy issues

2014–17 **Social Networks and Political Psychology Lab**, Williamsburg, VA
Research Assistant

Conducted political psychology research on the factors that drive disengagement from politics, both online and offline

2016 **Center of International Studies, Sciences-Po**, Paris, France
Spring Research Intern

2014 **Mark Warner for Senate**, Alexandria, VA
Summer Research Fellow
